

Catalyst's Lean Six Sigma Public Training Courses

Prices

All prices are per delegate and exclude vat. The delegate training cost includes comprehensive training materials, full day delegate rate and refreshments (lunch, teas, coffees etc) but not overnight accommodation. As you will see there is a financial benefit to booking modules together rather than separately. All exam and certification pricing assumes attendance at a Catalyst Assessment day.

Course	Days	£ UK Training only	£UK + BQF Certification	Euro Training only	Euro + BQF Certification
